EXPLANATORY NOTE

Union First Market Bankshares Corporation is filing this amendment (the "Form 10-Q/A") to its Quarterly Report on Form 10-Q for the quarter ended June 30, 2012 (the "Form 10-Q"), filed with the Securities and Exchange Commission on August 8, 2012, solely to correct clerical errors on the Report of Independent Registered Public Accounting Firm. The Report of Independent Registered Public Accounting Firm was originally dated May 9, 2012 and should have been dated August 8, 2012. Also, within the body of the Report, the consolidated statements of changes in stockholders' equity and cash flows were originally referenced as reporting the three month periods ending June 2012 and 2011, and should have been referenced as reporting the six month periods ended June 2012 and 2011. The revised Report of Independent Registered Public Accounting Firm is included in this Form 10-Q/A.

This Form 10-Q/A should be read in conjunction with the original Form 10-Q, which continues to speak as of the date of the Form 10-Q. Except as specifically noted above, this Form 10-Q/A does not modify or update disclosures in the original Form 10-Q. This Form 10-Q/A does not reflect events occurring after the filing of the Form 10-Q or modify or update any related disclosures and information not affected by this Form 10-Q/A.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Stockholders
Union First Market Bankshares Corporation
Richmond, Virginia

We have reviewed the accompanying condensed consolidated balance sheets of Union First Market Bankshares Corporation and subsidiaries as of June 30, 2012 and 2011, the related condensed consolidated statements of income and comprehensive income for the three month and six month periods ended June 30, 2012 and 2011 and the related consolidated changes in stockholders' equity and cash flows for the six months ended June 30, 2012 and 2011. These condensed financial statements are the responsibility of the Company's management.

We conducted our reviews in accordance with the standards of the Public Company Accounting Oversight Board (United States). A review of interim financial information consists principally of applying analytical procedures to financial data and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with the standards of the Public Company Accounting Oversight Board, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our reviews, we are not aware of any material modifications that should be made to the condensed financial statements referred to above for them to be in conformity with U.S. generally accepted accounting principles.

We have previously audited, in accordance with the standards of the Public Company Accounting Oversight Board, the consolidated balance sheet of Union First Market Bankshares Corporation and subsidiaries as of December 31, 2011, and the related consolidated statements of income, changes in stockholders' equity and cash flows for the year then ended (not presented herein); and in our report dated March 14, 2012, we expressed an unqualified opinion on those consolidated financial statements. In our opinion, the information set forth in the accompanying condensed consolidated balance sheet as of December 31, 2011 is fairly stated, in all material respects, in relation to the consolidated balance sheet from which it has been derived.
