Item 2.01 Completion of Acquisition or Disposition of Assets.

On January 1, 2014, Union First Market Bankshares Corporation (“Union”) completed its acquisition of StellarOne Corporation (“StellarOne”). The merger of StellarOne with and into Union (the “Merger”) was effected pursuant to the terms and conditions of the Agreement and Plan of Reorganization, dated as of June 9, 2013, between Union and StellarOne, and a related Plan of Merger (together, the “Merger Agreement”).

Pursuant to the Merger Agreement, holders of shares of StellarOne common stock have a right to receive 0.9739 shares of Union common stock for each share of StellarOne common stock held immediately prior to the effective date of the Merger, plus cash in lieu of fractional shares. Each option granted by StellarOne to purchase shares of StellarOne common stock that was outstanding immediately prior to the effective date of the Merger vested in full and was converted into an option to purchase shares of Union common stock on the same terms and conditions as were applicable prior to the Merger, subject to adjustment based on the 0.9739 exchange ratio. Each restricted stock award granted by StellarOne with respect to shares of StellarOne common stock that was unvested or contingent and outstanding immediately prior to the effective date of the Merger was converted into a restricted stock award with respect to shares of Union common stock on the same terms and conditions as were applicable prior to the Merger (taking into account any acceleration of vesting by reason of the completion of the Merger), subject to adjustment based on the 0.9739 exchange ratio. Each share of Union common stock outstanding immediately prior to the Merger remained outstanding and was unaffected by the Merger.

Union expects to operate StellarOne Bank, the former wholly-owned bank subsidiary of StellarOne, as a separate wholly-owned bank subsidiary of Union until May 2014, at which time StellarOne Bank is expected to be merged with and into Union First Market Bank, Union’s wholly-owned bank subsidiary.

This description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which is incorporated herein by reference to Exhibit 2.1 to this report. A copy of the press release announcing the completion of the Merger is attached as Exhibit 99.1 to this report and is incorporated herein by reference.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Pursuant to the Merger Agreement and effective upon the Merger, the number of directors on Union’s Board of Directors was increased to 19 directors, and eight former StellarOne directors were appointed to Union’s Board of Directors. The appointment of Raymond D. Smoot, Jr., former Chairman of the Board of Directors of StellarOne, as Union’s Chairman of the Board of Directors, was also effective upon the Merger. Ronald L. Hicks, the former Chairman of the Board of Directors of Union, is now serving as Vice Chairman of the Board of Directors of Union. Such director and chairman appointments, and related committee appointments and compensation arrangements, were previously reported by Union pursuant to a Current Report on Form 8-K filed with the Securities and Exchange Commission on December 18, 2013, which information is incorporated herein by reference.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

Amendment to Articles of Incorporation

On January 1, 2014, pursuant to the Merger Agreement and effective immediately prior to the Merger, Union amended its Articles of Incorporation to increase the number of authorized shares of its common stock, par value \$1.33 per share, from 36,000,000 shares to 100,000,000 shares. A copy of the Articles of Incorporation of Union, as amended, is attached as Exhibit 3.1 to this report and is incorporated herein by reference.

Amendment to Bylaws

On January 1, 2014, pursuant to the Merger Agreement and effective upon the Merger, Union amended its Bylaws to increase the number of directors on its board of directors from 11 to 19 and to provide that 11 of the directors shall have been members of Union's Board of Directors prior to the completion of the Merger (each, a "Continuing Union Director") and the remaining eight directors shall have been former members of StellarOne's Board of Directors (each, a "New Union Director"). The Continuing Union Directors and the New Union Directors will be split as equally as possible among the three classes of directors to serve staggered terms. Until the third anniversary of the Merger, all vacancies on the Union Board of Directors created by the cessation of service of a Continuing Union Director must be filled by a nominee proposed to the nominating committee of the Union Board of Directors by a majority of the remaining Continuing Union Directors, and all vacancies on the Union Board of Directors created by the cessation of service of a New Union Director shall be filled by a nominee proposed to the nominating committee of the Union Board of Directors by a majority of the remaining New Union Directors. Such bylaw provision may not be modified, amended or repealed other than by the affirmative vote of all New Union Directors during such three-year period.

The Bylaws were also amended to provide that, until the third anniversary of the Merger, Raymond D. Smoot, Jr. will serve as Chairman of the Board of Directors of Union and as a member of its Executive Committee. The Bylaws provide that during such three-year period, the removal of Dr. Smoot, or the failure to appoint or re-elect Dr. Smoot as Chairman of the Board of Directors of Union, and any determination not to nominate Dr. Smoot as director of Union, will require the affirmative vote of at least 75% of the full Board of Directors of Union. Any modification, amendment or repeal of such bylaw provision may only be adopted by the affirmative vote of at least 75% of the full Board of Directors of Union.

See Item 5.02 of this report for information on the directors appointed to the Board of Directors of Union effective upon the Merger. The foregoing description of the amendments to the Bylaws of Union does not purport to be complete and is qualified in its entirety by reference to the Bylaws of Union, as amended, a copy of which is attached as Exhibit 3.2 to this report and is incorporated herein by reference.

ARTICLES OF INCORPORATION
OF
UNION BANKSHARES CORPORATION

I. Name

The name of the corporation is Union Bankshares Corporation.

II. Purpose

The purpose for which the Corporation is organized is to act as a bank holding company and to transact any and all lawful business, not required to be specifically stated in the Articles of Incorporation, for which corporations may be incorporated under the Virginia Stock Corporation Act.

III. Capital Stock

The Corporation shall have authority to issue Four million (4,000,000) shares of Common Stock, par value \$10.00 per share, and five hundred thousand (500,000) shares of Serial Preferred Stock, par value \$10.00 per share.

A. Serial Preferred Stock

1. Issuance in Series. Authority is hereby vested in the Board of Directors to divide the Serial Preferred Stock into and cause the Serial Preferred Stock to be issued in series, to designate each series so as to distinguish the shares thereof from the shares of all other series or classes, to fix the number of shares of each series, and to fix and determine the variations in the relative rights and preferences of each series within the limitations hereinafter set forth in this paragraph. All shares of Serial Preferred Stock shall be identical except as to the following relative rights and preferences, which may be fixed and determined by the Board of Directors and as to which there may be variations between different series:

- (a) the rate of dividend, if any, payable on shares of such series, the time of payment and the dates from which dividends shall be cumulative if such dividends shall be cumulative, and the extent of participation rights, if any, of the shares of such series;
- (b) any right to vote with holders of shares of any other series or class and any right to vote as a class, either generally or as a condition to specified corporate action;
- (c) the price at and the terms and conditions on which shares may be redeemed;
- (d) the amount payable upon shares in the event of involuntary liquidation;
- (e) the amount payable upon shares in the event of voluntary liquidation;

(f) any sinking fund provisions for the redemption or purchase of shares; and

(g) the terms and conditions on which shares may be converted, if the shares of any series are issued with the privilege of conversion.

2. Dividends. The holders of the Serial Preferred Stock of each series as to which the Board of Directors shall have specified a rate of dividend shall be entitled to receive, if and when declared payable by the Board of Directors, dividends at the dividend rate for such series, and not exceeding such rate except to the extent of any participation right. Such dividends shall be payable on such dates as shall be specified for such series. Dividends, if cumulative and in arrears, shall not bear interest.

No dividends shall be declared or paid upon or set apart for the Common Stock or for stock of any other class hereafter created ranking junior to the Serial Preferred Stock in respect to dividends or assets (hereinafter called "Junior Stock"), or for any shares of Serial Preferred Stock which are entitled to participate with the Common Stock, and no shares of Serial Preferred Stock, Common Stock or Junior Stock shall be purchased, redeemed or otherwise reacquired for a consideration, nor shall any funds be set aside for or paid to any sinking fund therefor, unless and until (i) full dividends on the outstanding Serial Preferred Stock at the dividend rate or rates therefor, together with the full additional amount required by any participation right, shall have been paid or declared and set apart for payment with respect to all past dividend periods, to the extent that the holders of the Serial Preferred Stock are entitled to dividends with respect to any past dividend period, and the current dividend period, and (ii) all mandatory sinking fund payments that shall have become due in respect of any series of the Serial Preferred Stock shall have been made. Unless full dividends with respect to all past dividend periods on the outstanding Serial Preferred Stock at the dividend rate or rates therefor, to the extent that holders of the Serial Preferred Stock are entitled to dividends with respect to any particular past dividend period, together with the full additional amount required by any participation right, shall have been paid or declared and set apart for payment and all mandatory sinking fund payments that shall have become due in respect of any series of the Serial Preferred Stock shall have been made, no distributions shall be made to the holders of the Serial Preferred Stock of any series unless distributions are made to the holders of the Serial Preferred Stock of all series then outstanding in proportion to the aggregate amounts of the deficiencies in payments due to the respective series, and all payments shall be applied first, to dividends accrued and in arrears, next, to any amount required by any participation right, and, finally, to mandatory sinking fund payments. The terms "current dividend period" and "past dividend period" mean, if two or more series of Serial Preferred Stock having different dividend periods are at the time outstanding, the current dividend period or any past dividend period, as the case may be, with respect to each such series.

3. Preference on Liquidation. In the event of any liquidation, dissolution or winding up of the Corporation, the holders of the Serial Preferred Stock of each series shall be entitled to receive, for each share thereof, the fixed liquidation price for such series, plus, in case such liquidation, dissolution or winding up shall have been voluntary, the fixed liquidation premium for such series, if any, together in all cases with a sum equal to all dividends, if any, accrued or in arrears thereon and the full additional amount required by any participation right, before any distribution of the assets shall be made to holders of the Common Stock or Junior Stock; but the holders of the Serial Preferred Stock shall be entitled to no further participation in such distribution. If, upon any such liquidation, dissolution or winding up, the assets distributable among the holders of the Serial Preferred Stock shall be insufficient to permit the payment of the full preferential amounts aforesaid, then such assets shall be distributed among the holders of the Serial Preferred Stock then outstanding, ratably in proportion to the full preferential amounts to which they are respectively entitled. A merger of the Corporation into any other corporation, or merger of any other corporation into the Corporation, or consolidation of the Corporation with any other corporation or a sale or transfer of the property of the Corporation as or substantially as an entirety shall not be deemed to be a liquidation, dissolution or winding up of the Corporation.

B. Common Stock

1. Dividends. Subject to the provisions of law and the rights of holders of shares at the time outstanding of all classes of stock having prior rights as to dividends, the holders of Common Stock at the time outstanding shall be entitled to receive such dividends at such times and in such amounts as the Board of Directors may deem advisable.
2. Liquidation. In the event of any liquidation, dissolution or winding up (whether voluntary or involuntary) of the Corporation, after payment or provision for the payment of all the liabilities and obligations of the Corporation and all preferential amounts to which the holders of shares at the time outstanding of all classes of stock having prior rights thereto shall be entitled, the remaining net assets of the Corporation shall be distributed ratably among the holders of the shares at the time outstanding of Common Stock.
3. Voting. Except to the extent to which the Board of Directors shall have specified voting power with respect to any other class of stock and except as otherwise provided by law, the exclusive voting power shall be vested in the Common Stock, the holder thereof being entitled to one vote for each share of Common Stock at all meetings of the shareholders of the Corporation.

IV. No Preemptive Rights

No holder of shares of the capital stock of the Corporation of any class shall have any preemptive or preferential right to subscribe to or purchase (i) any shares of capital stock of the Corporation, (ii) any securities convertible into such shares or (iii) any options, warrants or rights to purchase such shares or securities convertible into any such shares.

V. Directors

The business and affairs of the Corporation shall be managed by or under the direction of a Board of Directors consisting of such number of directors as may be fixed from time to time in the bylaws or by resolution adopted by the affirmative vote of a majority of the Directors then in office. The Directors shall be divided into three classes, designated as Class I, Class II, and Class III. Each class shall consist, as nearly as may be possible, of one-third of the total number of Directors constituting the entire Board of Directors, with one class to be originally elected for a term of one year, another class to be originally elected for a term expiring in two years, and another class to be originally elected for a term of three years. At each succeeding annual meeting of shareholders beginning in 1993, successors to the class of Directors whose term expires at that annual meeting shall be elected for a three-year term. If the number of Directors has changed, any increase or decrease shall be apportioned among the classes so as to maintain the number of Directors in each class as nearly equal as possible, but in no case will a decrease in the number of Directors shorten the term of any incumbent Director. A Director shall hold office until the annual meeting for the year in which his term expires and until his successor shall be elected and shall qualify, subject, however, to prior death, resignation, retirement, disqualification or removal from office.

Notwithstanding the foregoing, whenever the holders of any one or more classes or series of Preferred Stock issued by the Corporation shall have the right, voting separately by class or series, to elect Directors at an annual or special meeting of shareholders, the election, term of office, filling of vacancies and other features of such Directorships shall be governed by the terms of these Articles of Incorporation applicable thereto, and such Directors so elected shall not be divided into classes pursuant to this Article V unless expressly provided by such terms.

If the office of any Director shall become vacant, the Directors then in office, whether or not a quorum, may by majority vote choose a successor who shall hold office until the next annual meeting of shareholders. In such event, the successor elected by the shareholders at that annual meeting shall hold office for a term that shall coincide with the remaining term of the class of Directors to which that person has been elected. Vacancies resulting from the increase in the number of Directors shall be filled in the same manner.

Directors of the Corporation may be removed by shareholders of the Corporation only for cause and with the affirmative vote of at least two-thirds of the outstanding shares entitled to vote.

Advance notice of shareholder nominations for the election of Directors shall be given in the manner provided in the Bylaws of the Corporation.

VI. Indemnification and Limit on Liability

(a) **Mandatory Indemnification.** To the full extent permitted by the Virginia Stock Corporation Act, as it exists on the date hereof or may hereafter be amended, each Director and officer shall be indemnified by the Corporation against liabilities, fines, penalties and claims imposed upon or asserted against him (including amounts paid in settlement) by reason of having been such Director or officer, whether or not then continuing so to be, and against all expenses (including counsel fees) reasonably incurred by him in connection therewith, except in relation to matters as to which he shall have been finally adjudged liable by reason of his willful misconduct or a knowing violation of criminal law in the performance of his duty as such Director or officer. The determination that the indemnification under this subsection (a) is permissible shall be made as provided by law. The right of indemnification hereby provided shall not be exclusive of any other rights to which any Director or officer may be entitled.

(b) **Limitation of Liability.** To the full extent permitted by the Virginia Stock Corporation Act, as it exists on the date hereof or may hereafter be amended, in any proceeding brought by a shareholder of the Corporation in the right of the Corporation or brought by or on behalf of shareholders of the Corporation, a director or officer of the Corporation shall not be liable in any monetary amount for damages arising out of or resulting from a single transaction, occurrence or course of conduct, provided that the elimination of liability herein set forth shall not be applicable if the Director or officer engaged in willful misconduct or a knowing violation of the criminal law or of any federal or state securities law.

(c) **Agents and Employees.** The Board of Directors is hereby empowered, by a majority vote of a quorum of disinterested Directors, to indemnify or contract in advance to indemnify any person not specified in subsection (a) of this Article against liabilities, fines, penalties and claims imposed upon or asserted against him (including amounts paid in settlement) by reason of having been an employee, agent or consultant of the Corporation, whether or not then continuing so to be, and against all expenses (including counsel fees) reasonably incurred by him in connection therewith, to the same extent as if such person were specified as one to whom indemnification is granted in subsection (a) of this Article.

(d) References. Every reference in this Article to Director, officer, employee, agent or consultant shall include (i) every Director, officer, employee, agent or consultant of the Corporation or any corporation the majority of the voting stock or which is owned directly or indirectly by the Corporation, (ii) every former Director, officer, employee, agent or consultant of the Corporation, (iii) every person who may have served at the request of or on behalf of the Corporation as a Director, officer, employee, agent, consultant or trustee of another corporation, partnership, joint venture, trust or other entity, and (iv) in all of such cases, his executors and administrators.

(e) Effective Date. The provisions of this Article VI shall be applicable from and after its adoption even though some or all of the underlying conduct or events relating to such a proceeding may have occurred before such adoption. No amendment, modification or repeal of this Article VI shall diminish the rights provided hereunder to any person arising from conduct or events occurring before the adoption of such amendment, modification or repeal.

(f) Change in Control. In the event there has been a change in the composition of a majority of the Board of Directors after the date of the alleged act or omission with respect to which indemnification is claimed, any determination as to indemnification and advancements of expenses with respect to any claim for indemnification made pursuant to Subsection (a) of this Article VI shall be made by special legal counsel agreed upon by the Board of Directors and the proposed indemnitee. If the Board of Directors and the proposed indemnitee are unable to agree upon such special legal counsel, the Board of Directors and the proposed indemnitee each shall select a nominee, and the nominees shall select such special legal counsel.

VII. Shareholder Approval of Certain Transactions

An amendment of the Corporation's Articles of Incorporation, a plan of merger or share exchange, a transaction involving the sale of all or substantially all the Corporation's assets other than in the regular course of business and a plan of dissolution shall be approved by the vote of a majority of all the votes entitled to be cast on such transactions by each voting group entitled to vote on the transaction at a meeting at which a quorum of the voting group is present, provided that the transaction has been approved and recommended by at least two-thirds of the Directors in office at the time of such approval and recommendation. If the transaction is not so approved and recommended, then the transaction shall be approved by the vote of eighty percent (80%) or more of all the votes entitled to be cast on such transactions by each voting group entitled to vote on the transaction.

Section 3. Dividends.

(a) Rate. Holders of Designated Preferred Stock shall be entitled to receive, on each share of Designated Preferred Stock if, as and when declared by the Board of Directors or any duly authorized committee of the Board of Directors, but only out of assets legally available therefor, cumulative cash dividends with respect to each Dividend Period (as defined below) at a rate per annum equal to the Applicable Dividend Rate on (i) the Liquidation Amount per share of Designated Preferred Stock and (ii) the amount of accrued and unpaid dividends for any prior Dividend Period on such share of Designated Preferred Stock, if any. Such dividends shall begin to accrue and be cumulative from the Original Issue Date, shall compound on each subsequent Dividend Payment Date (i.e., no dividends shall accrue on other dividends unless and until the first Dividend Payment Date for such other dividends has passed without such other dividends having been paid on such date) and shall be payable quarterly in arrears on each Dividend Payment Date, commencing with the first such Dividend Payment Date to occur at least 20 calendar days after the Original Issue Date. In the event that any Dividend Payment Date would otherwise fall on a day that is not a Business Day, the dividend payment due on that date will be postponed to the next day that is a Business Day and no additional dividends will accrue as a

result of that postponement. The period from and including any Dividend Payment Date to, but excluding, the next Dividend Payment Date is a "Dividend Period", provided that the initial Dividend Period shall be the period from and including the Original Issue Date to, but excluding, the next Dividend Payment Date.

Dividends that are payable on Designated Preferred Stock in respect of any Dividend Period shall be computed on the basis of a 360-day year consisting of twelve 30-day months. The amount of dividends payable on Designated Preferred Stock on any date prior to the end of a Dividend Period, and for the initial Dividend Period, shall be computed on the basis of a 360-day year consisting of twelve 30-day months, and actual days elapsed over a 30-day month.

Dividends that are payable on Designated Preferred Stock on any Dividend Payment Date will be payable to holders of record of Designated Preferred Stock as they appear on the stock register of the Corporation on the applicable record date, which shall be the 15th calendar day immediately preceding such Dividend Payment Date or such other record date fixed by the Board of Directors or any duly authorized committee of the Board of Directors that is not more than 60 nor less than 10 days prior to such Dividend Payment Date (each, a "Dividend Record Date"). Any such day that is a Dividend Record Date shall be a Dividend Record Date whether or not such day is a Business Day.

Holders of Designated Preferred Stock shall not be entitled to any dividends, whether payable in cash, securities or other property, other than dividends (if any) declared and payable on Designated Preferred Stock as specified in this Section 3 (subject to the other provisions of the Certificate of Designations).

(b) Priority of Dividends. So long as any share of Designated Preferred Stock remains outstanding, no dividend or distribution shall be declared or paid on the Common Stock or any other shares of Junior Stock (other than dividends payable solely in shares of Common Stock) or Parity Stock, subject to the immediately following paragraph in the case of Parity Stock, and no Common Stock, Junior Stock or Parity Stock shall be, directly or indirectly, purchased, redeemed or otherwise acquired for consideration by the Corporation or any of its subsidiaries unless all accrued and unpaid dividends for all past Dividend Periods, including the latest completed Dividend Period (including, if applicable as provided in Section 3(a) above, dividends on such amount), on all outstanding shares of Designated Preferred Stock have been or are contemporaneously declared and paid in full (or have been declared and a sum sufficient for the payment thereof has been set aside for the benefit of the holders of shares of Designated Preferred Stock on the applicable record date). The foregoing limitation shall not apply to (i) redemptions, purchases or other acquisitions of shares of Common Stock or other Junior Stock in connection with the administration of any employee benefit plan in the ordinary course of business (including purchases to offset the Share Dilution Amount (as defined below) pursuant to a publicly announced repurchase plan) and consistent with past practice, provided that any purchases to offset the Share Dilution Amount shall in no event exceed the Share Dilution Amount; (ii) purchases or other acquisitions by a broker-dealer subsidiary of the Corporation solely for the purpose of market-making, stabilization or customer facilitation transactions in Junior Stock or Parity Stock in the ordinary course of its business; (iii) purchases by a broker-dealer subsidiary of the Corporation of capital stock of the Corporation for resale pursuant to an offering by the Corporation of such capital stock underwritten by such broker-dealer subsidiary;

(iv) any dividends or distributions of rights or Junior Stock in connection with a stockholders' rights plan or any redemption or repurchase of rights pursuant to any stockholders' rights plan; (v) the acquisition by the Corporation or any of its subsidiaries of record ownership in Junior Stock or Parity Stock for the beneficial ownership of any other persons (other than the Corporation or any of its subsidiaries), including as trustees or custodians; and (vi) the exchange or conversion of Junior Stock for or into other Junior Stock or of Parity Stock for or into other Parity Stock (with the same or lesser aggregate liquidation amount) or Junior Stock, in each case, solely to the extent required pursuant to binding contractual agreements entered into prior to the Signing Date or any subsequent agreement for the accelerated exercise, settlement or exchange thereof for Common Stock. "Share Dilution Amount" means the increase in the number of diluted shares outstanding (determined in accordance with generally accepted accounting principles in the United States, and as measured from the date of the Corporation's consolidated financial statements most recently filed with the Securities and Exchange Commission prior to the Original Issue Date) resulting from the grant, vesting or exercise of equity-based compensation to employees and equitably adjusted for any stock split, stock dividend, reverse stock split, reclassification or similar transaction.

When dividends are not paid (or declared and a sum sufficient for payment thereof set aside for the benefit of the holders thereof on the applicable record date) on any Dividend Payment Date (or, in the case of Parity Stock having dividend payment dates different from the Dividend Payment Dates, on a dividend payment date falling within a Dividend Period related to such Dividend Payment Date) in full upon Designated Preferred Stock and any shares of Parity Stock, all dividends declared on Designated Preferred Stock and all such Parity Stock and payable on such Dividend Payment Date (or, in the case of Parity Stock having dividend payment dates different from the Dividend Payment Dates, on a dividend payment date falling within the Dividend Period related to such Dividend Payment Date) shall be declared pro rata so that the respective amounts of such dividends declared shall bear the same ratio to each other as all accrued and unpaid dividends per share on the shares of Designated Preferred Stock (including, if applicable as provided in Section 3(a) above, dividends on such amount) and all Parity Stock payable on such Dividend Payment Date (or, in the case of Parity Stock having dividend payment dates different from the Dividend Payment Dates, on a dividend payment date falling within the Dividend Period related to such Dividend Payment Date) (subject to their having been declared by the Board of Directors or a duly authorized committee of the Board of Directors out of legally available funds and including, in the case of Parity Stock that bears cumulative dividends, all accrued but unpaid dividends) bear to each other. If the Board of Directors or a duly authorized committee of the Board of Directors determines not to pay any dividend or a full dividend on a Dividend Payment Date, the Corporation will provide written notice to the holders of Designated Preferred Stock prior to such Dividend Payment Date.

Subject to the foregoing, and not otherwise, such dividends (payable in cash, securities or other property) as may be determined by the Board of Directors or any duly authorized committee of the Board of Directors may be declared and paid on any securities, including Common Stock and other Junior Stock, from time to time out of any funds legally available for such payment, and holders of Designated Preferred Stock shall not be entitled to participate in any such dividends.

Section 4. Liquidation Rights.

(a) Voluntary or Involuntary Liquidation. In the event of any liquidation, dissolution or winding up of the affairs of the Corporation, whether voluntary or involuntary, holders of Designated Preferred Stock shall be entitled to receive for each share of Designated Preferred Stock, out of the assets of the Corporation or proceeds thereof (whether capital or surplus) available for distribution to stockholders of the Corporation, subject to the rights of any creditors of the Corporation, before any distribution of such assets or proceeds is made to or set aside for the holders of Common Stock and any other stock of the Corporation ranking junior to Designated Preferred Stock as to such distribution, payment in full in an amount equal to the sum of (i) the Liquidation Amount per share and (ii) the amount of any accrued and unpaid dividends (including, if applicable as provided in Section 3(a) above, dividends on such amount), whether or not declared, to the date of payment (such amounts collectively, the "Liquidation Preference").

(b) Partial Payment. If in any distribution described in Section 4(a) above the assets of the Corporation or proceeds thereof are not sufficient to pay in full the amounts payable with respect to all outstanding shares of Designated Preferred Stock and the corresponding amounts payable with respect of any other stock of the Corporation ranking equally with Designated Preferred Stock as to such distribution, holders of Designated Preferred Stock and the holders of such other stock shall share ratably in any such distribution in proportion to the full respective distributions to which they are entitled.

(c) Residual Distributions. If the Liquidation Preference has been paid in full to all holders of Designated Preferred Stock and the corresponding amounts payable with respect of any other stock of the Corporation ranking equally with Designated Preferred Stock as to such distribution has been paid in full, the holders of other stock of the Corporation shall be entitled to receive all remaining assets of the Corporation (or proceeds thereof) according to their respective rights and preferences.

(d) Merger, Consolidation and Sale of Assets Not Liquidation. For purposes of this Section 4, the merger or consolidation of the Corporation with any other corporation or other entity, including a merger or consolidation in which the holders of Designated Preferred Stock receive cash, securities or other property for their shares, or the sale, lease or exchange (for cash, securities or other property) of all or substantially all of the assets of the Corporation, shall not constitute a liquidation, dissolution or winding up of the Corporation.

Section 5. Redemption.

(a) Optional Redemption. Except as provided below, the Designated Preferred Stock may not be redeemed prior to the first Dividend Payment Date falling on or after the third anniversary of the Original Issue Date. On or after the first Dividend Payment Date falling on or after the third anniversary of the Original Issue Date, the Corporation, at its option, subject to the approval of the Appropriate Federal Banking Agency, may redeem, in whole or in part, at any time and from time to time, out of funds legally available therefor, the shares of Designated Preferred Stock at the time outstanding, upon notice given as provided in Section 5(c) below, at a redemption price equal to the sum of (i) the Liquidation Amount per share and (ii) except as otherwise provided below, any accrued and unpaid dividends (including, if applicable as provided in Section 3(a) above, dividends on such amount) (regardless of whether any dividends are actually declared) to, but excluding, the date fixed for redemption.

Notwithstanding the foregoing, prior to the first Dividend Payment Date falling on or after the third anniversary of the Original Issue Date, the Corporation, at its option, subject to the approval of the Appropriate Federal Banking Agency, may redeem, in whole or in part, at any time and from time to time, the shares of Designated Preferred Stock at the time outstanding, upon notice given as provided in Section 5(c) below, at a redemption price equal to the sum of (i) the Liquidation Amount per share and (ii) except as otherwise provided below, any accrued and unpaid dividends (including, if applicable as provided in Section 3(a) above, dividends on such amount) (regardless of whether any dividends are actually declared) to, but excluding, the date fixed for redemption; provided that (x) the Corporation (or any successor by Business Combination) has received aggregate gross proceeds of not less than the Minimum Amount (plus the "Minimum Amount" as defined in the relevant certificate of designations for each other outstanding series of preferred stock of such successor that was originally issued to the United States Department of the Treasury (the "Successor Preferred Stock") in connection with the Troubled Asset Relief Program Capital Purchase Program) from one or more Qualified Equity Offerings (including Qualified Equity Offerings of such successor), and (y) the aggregate redemption price of the Designated Preferred Stock (and any Successor Preferred Stock) redeemed pursuant to this paragraph may not exceed the aggregate net cash proceeds received by the Corporation (or any successor by Business Combination) from such Qualified Equity Offerings (including Qualified Equity Offerings of such successor).

The redemption price for any shares of Designated Preferred Stock shall be payable on the redemption date to the holder of such shares against surrender of the certificate(s) evidencing such shares to the Corporation or its agent. Any declared but unpaid dividends payable on a redemption date that occurs subsequent to the Dividend Record Date for a Dividend Period shall not be paid to the holder entitled to receive the redemption price on the redemption date, but rather shall be paid to the holder of record of the redeemed shares on such Dividend Record Date relating to the Dividend Payment Date as provided in Section 3 above.

(b) No Sinking Fund. The Designated Preferred Stock will not be subject to any mandatory redemption, sinking fund or other similar provisions. Holders of Designated Preferred Stock will have no right to require redemption or repurchase of any shares of Designated Preferred Stock.

(c) Notice of Redemption. Notice of every redemption of shares of Designated Preferred Stock shall be given by first class mail, postage prepaid, addressed to the holders of record of the shares to be redeemed at their respective last addresses appearing on the books of the Corporation. Such mailing shall be at least 30 days and not more than 60 days before the date fixed for redemption. Any notice mailed as provided in this Subsection shall be conclusively presumed to have been duly given, whether or not the holder receives such notice, but failure duly to give such notice by mail, or any defect in such notice or in the mailing thereof, to any holder of shares of Designated Preferred Stock designated for redemption shall not affect the validity of the proceedings for the redemption of any other shares of Designated Preferred Stock. Notwithstanding the foregoing, if shares of Designated Preferred Stock are issued in book-entry

form through The Depository Trust Corporation or any other similar facility, notice of redemption may be given to the holders of Designated Preferred Stock at such time and in any manner permitted by such facility. Each notice of redemption given to a holder shall state: (1) the redemption date; (2) the number of shares of Designated Preferred Stock to be redeemed and, if less than all the shares held by such holder are to be redeemed, the number of such shares to be redeemed from such holder; (3) the redemption price; and (4) the place or places where certificates for such shares are to be surrendered for payment of the redemption price.

(d) Partial Redemption. In case of any redemption of part of the shares of Designated Preferred Stock at the time outstanding, the shares to be redeemed shall be selected either pro rata or in such other manner as the Board of Directors or a duly authorized committee thereof may determine to be fair and equitable. Subject to the provisions hereof, the Board of Directors or a duly authorized committee thereof shall have full power and authority to prescribe the terms and conditions upon which shares of Designated Preferred Stock shall be redeemed from time to time. If fewer than all the shares represented by any certificate are redeemed, a new certificate shall be issued representing the unredeemed shares without charge to the holder thereof.

(e) Effectiveness of Redemption. If notice of redemption has been duly given and if on or before the redemption date specified in the notice all funds necessary for the redemption have been deposited by the Corporation, in trust for the pro rata benefit of the holders of the shares called for redemption, with a bank or trust company doing business in the Borough of Manhattan, The City of New York, and having a capital and surplus of at least \$500 million and selected by the Board of Directors, so as to be and continue to be available solely therefor, then, notwithstanding that any certificate for any share so called for redemption has not been surrendered for cancellation, on and after the redemption date dividends shall cease to accrue on all shares so called for redemption, all shares so called for redemption shall no longer be deemed outstanding and all rights with respect to such shares shall forthwith on such redemption date cease and terminate, except only the right of the holders thereof to receive the amount payable on such redemption from such bank or trust company, without interest. Any funds unclaimed at the end of three years from the redemption date shall, to the extent permitted by law, be released to the Corporation, after which time the holders of the shares so called for redemption shall look only to the Corporation for payment of the redemption price of such shares.

(f) Status of Redeemed Shares. Shares of Designated Preferred Stock that are redeemed, repurchased or otherwise acquired by the Corporation shall revert to authorized but unissued shares of Preferred Stock (provided that any such cancelled shares of Designated Preferred Stock may be reissued only as shares of any series of Preferred Stock other than Designated Preferred Stock).

Section 6. Conversion. Holders of Designated Preferred Stock shares shall have no right to exchange or convert such shares into any other securities.

Section 7. Voting Rights.

(a) General. The holders of Designated Preferred Stock shall not have any voting rights except as set forth below or as otherwise from time to time required by law.

(b) Preferred Stock Directors. Whenever, at any time or times, dividends payable on the shares of Designated Preferred Stock have not been paid for an aggregate of six quarterly Dividend Periods or more, whether or not consecutive, the authorized number of directors of the Corporation shall automatically be increased by two and the holders of the Designated Preferred Stock shall have the right, with holders of shares of any one or more other classes or series of Voting Parity Stock outstanding at the time, voting together as a class, to elect two directors (hereinafter the "Preferred Directors" and each a "Preferred Director") to fill such newly created directorships at the Corporation's next annual meeting of stockholders (or at a special meeting called for that purpose prior to such next annual meeting) and at each subsequent annual meeting of stockholders until all accrued and unpaid dividends for all past Dividend Periods, including the latest completed Dividend Period (including, if applicable as provided in Section 3(a) above, dividends on such amount), on all outstanding shares of Designated Preferred Stock have been declared and paid in full at which time such right shall terminate with respect to the Designated Preferred Stock, except as herein or by law expressly provided, subject to revesting in the event of each and every subsequent default of the character above mentioned; provided that it shall be a qualification for election for any Preferred Director that the election of such Preferred Director shall not cause the Corporation to violate any corporate governance requirements of any securities exchange or other trading facility on which securities of the Corporation may then be listed or traded that listed or traded companies must have a majority of independent directors. Upon any termination of the right of the holders of shares of Designated Preferred Stock and Voting Parity Stock as a class to vote for directors as provided above, the Preferred Directors shall cease to be qualified as directors, the term of office of all Preferred Directors then in office shall terminate immediately and the authorized number of directors shall be reduced by the number of Preferred Directors elected pursuant hereto. Any Preferred Director may be removed at any time, with or without cause, and any vacancy created thereby may be filled, only by the affirmative vote of the holders a majority of the shares of Designated Preferred Stock at the time outstanding voting separately as a class together with the holders of shares of Voting Parity Stock, to the extent the voting rights of such holders described above are then exercisable. If the office of any Preferred Director becomes vacant for any reason other than removal from office as aforesaid, the remaining Preferred Director may choose a successor who shall hold office for the unexpired term in respect of which such vacancy occurred.

(c) Class Voting Rights as to Particular Matters. So long as any shares of Designated Preferred Stock are outstanding, in addition to any other vote or consent of stockholders required by law or by the Charter, the vote or consent of the holders of at least 66 2/3% of the shares of Designated Preferred Stock at the time outstanding, voting as a separate class, given in person or by proxy, either in writing without a meeting or by vote at any meeting called for the purpose, shall be necessary for effecting or validating:

(i) Authorization of Senior Stock. Any amendment or alteration of the Certificate of Designations for the Designated Preferred Stock or the Charter to authorize or create or increase the authorized amount of, or any issuance of, any shares of, or any securities convertible into or exchangeable or exercisable for shares of, any class or series of capital stock of the Corporation ranking senior to Designated Preferred Stock with respect to either or both the payment of dividends and/or the distribution of assets on any liquidation, dissolution or winding up of the Corporation;

(ii) Amendment of Designated Preferred Stock. Any amendment, alteration or repeal of any provision of the Certificate of Designations for the Designated Preferred Stock or the Charter (including, unless no vote on such merger or consolidation is required by Section 7(c)(iii) below, any amendment, alteration or repeal by means of a merger, consolidation or otherwise) so as to adversely affect the rights, preferences, privileges or voting powers of the Designated Preferred Stock; or

(iii) Share Exchanges, Reclassifications, Mergers and Consolidations. Any consummation of a binding share exchange or reclassification involving the Designated Preferred Stock, or of a merger or consolidation of the Corporation with another corporation or other entity, unless in each case (x) the shares of Designated Preferred Stock remain outstanding or, in the case of any such merger or consolidation with respect to which the Corporation is not the surviving or resulting entity, are converted into or exchanged for preference securities of the surviving or resulting entity or its ultimate parent, and (y) such shares remaining outstanding or such preference securities, as the case may be, have such rights, preferences, privileges and voting powers, and limitations and restrictions thereof, taken as a whole, as are not materially less favorable to the holders thereof than the rights, preferences, privileges and voting powers, and limitations and restrictions thereof, of Designated Preferred Stock immediately prior to such consummation, taken as a whole;

provided, however, that for all purposes of this Section 7(c), any increase in the amount of the authorized Preferred Stock, including any increase in the authorized amount of Designated Preferred Stock necessary to satisfy preemptive or similar rights granted by the Corporation to other persons prior to the Signing Date, or the creation and issuance, or an increase in the authorized or issued amount, whether pursuant to preemptive or similar rights or otherwise, of any other series of Preferred Stock, or any securities convertible into or exchangeable or exercisable for any other series of Preferred Stock, ranking equally with and/or junior to Designated Preferred Stock with respect to the payment of dividends (whether such dividends are cumulative or non-cumulative) and the distribution of assets upon liquidation, dissolution or winding up of the Corporation will not be deemed to adversely affect the rights, preferences, privileges or voting powers, and shall not require the affirmative vote or consent of, the holders of outstanding shares of the Designated Preferred Stock.

(d) Changes after Provision for Redemption. No vote or consent of the holders of Designated Preferred Stock shall be required pursuant to Section 7(c) above if, at or prior to the time when any such vote or consent would otherwise be required pursuant to such Section, all outstanding shares of the Designated Preferred Stock shall have been redeemed, or shall have been called for redemption upon proper notice and sufficient funds shall have been deposited in trust for such redemption, in each case pursuant to Section 5 above.

(e) Procedures for Voting and Consents. The rules and procedures for calling and conducting any meeting of the holders of Designated Preferred Stock (including, without limitation, the fixing of a record date in connection therewith), the solicitation and use of proxies at such a meeting, the obtaining of written consents and any other aspect or matter with regard to such a meeting or such consents shall be governed by any rules of the Board of Directors or any duly authorized committee of the Board of Directors, in its discretion, may adopt from time to time, which rules and procedures shall conform to the requirements of the Charter, the Bylaws, and applicable law and the rules of any national securities exchange or other trading facility on which Designated Preferred Stock is listed or traded at the time.

Section 8. Record Holders. To the fullest extent permitted by applicable law, the Corporation and the transfer agent for Designated Preferred Stock may deem and treat the record holder of any share of Designated Preferred Stock as the true and lawful owner thereof for all purposes, and neither the Corporation nor such transfer agent shall be affected by any notice to the contrary.

Section 9. Notices. All notices or communications in respect of Designated Preferred Stock shall be sufficiently given if given in writing and delivered in person or by first class mail, postage prepaid, or if given in such other manner as may be permitted in this Certificate of Designations, in the Charter or Bylaws or by applicable law. Notwithstanding the foregoing, if shares of Designated Preferred Stock are issued in book-entry form through The Depository Trust Corporation or any similar facility, such notices may be given to the holders of Designated Preferred Stock in any manner permitted by such facility.

Section 10. No Preemptive Rights. No share of Designated Preferred Stock shall have any rights of preemption whatsoever as to any securities of the Corporation, or any warrants, rights or options issued or granted with respect thereto, regardless of how such securities, or such warrants, rights or options, may be designated, issued or granted.

Section 11. Replacement Certificates. The Corporation shall replace any mutilated certificate at the holder's expense upon surrender of that certificate to the Corporation. The Corporation shall replace certificates that become destroyed, stolen or lost at the holder's expense upon delivery to the Corporation of reasonably satisfactory evidence that the certificate has been destroyed, stolen or lost, together with any indemnity that may be reasonably required by the Corporation.

Section 12. Other Rights. The shares of Designated Preferred Stock shall not have any rights, preferences, privileges or voting powers or relative, participating, optional or other special rights, or qualifications, limitations or restrictions thereof, other than as set forth herein or in the Charter or as provided by applicable law.

Section 3. Dividends.

(a) Rate. Holders of Designated Preferred Stock shall be entitled to receive, on each share of Designated Preferred Stock if, as and when declared by the Board of Directors or any duly authorized committee of the Board of Directors, but only out of assets legally available therefor, cumulative cash dividends with respect to each Dividend Period (as defined below) at a rate per annum equal to the Applicable Dividend Rate on (i) the Liquidation Amount per share of Designated Preferred Stock and (ii) the amount of accrued and unpaid dividends for any prior Dividend Period on such share of Designated Preferred Stock, if any. Such dividends shall begin to accrue and be cumulative from the Original Issue Date, shall compound on each subsequent Dividend Payment Date (i.e., no dividends shall accrue on other dividends unless and until the first Dividend Payment Date for such other dividends has passed without such other dividends having been paid on such date) and shall be payable quarterly in arrears on each Dividend Payment Date, commencing with the first such Dividend Payment Date to occur at least 20 calendar days after the Original Issue Date. In the event that any Dividend Payment Date would

otherwise fall on a day that is not a Business Day, the dividend payment due on that date will be postponed to the next day that is a Business Day and no additional dividends will accrue as a result of that postponement. The period from and including any Dividend Payment Date to, but excluding, the next Dividend Payment Date is a "Dividend Period", provided that the initial Dividend Period shall be the period from and including the Original Issue Date to, but excluding, the next Dividend Payment Date.

Dividends that are payable on Designated Preferred Stock in respect of any Dividend Period shall be computed on the basis of a 360-day year consisting of twelve 30-day months. The amount of dividends payable on Designated Preferred Stock on any date prior to the end of a Dividend Period, and for the initial Dividend Period, shall be computed on the basis of a 360-day year consisting of twelve 30-day months, and actual days elapsed over a 30-day month.

Dividends that are payable on Designated Preferred Stock on any Dividend Payment Date will be payable to holders of record of Designated Preferred Stock as they appear on the stock register of the Corporation on the applicable record date, which shall be the 15th calendar day immediately preceding such Dividend Payment Date or such other record date fixed by the Board of Directors or any duly authorized committee of the Board of Directors that is not more than 60 nor less than 10 days prior to such Dividend Payment Date (each, a "Dividend Record Date"). Any such day that is a Dividend Record Date shall be a Dividend Record Date whether or not such day is a Business Day.

Holders of Designated Preferred Stock shall not be entitled to any dividends, whether payable in cash, securities or other property, other than dividends (if any) declared and payable on Designated Preferred Stock as specified in this Section 3 (subject to the other provisions of the Certificate of Designations).

(b) Priority of Dividends. So long as any share of Designated Preferred Stock remains outstanding, no dividend or distribution shall be declared or paid on the Common Stock or any other shares of Junior Stock (other than dividends payable solely in shares of Common Stock) or Parity Stock, subject to the immediately following paragraph in the case of Parity Stock, and no Common Stock, Junior Stock or Parity Stock shall be, directly or indirectly, purchased, redeemed or otherwise acquired for consideration by the Corporation or any of its subsidiaries unless all accrued and unpaid dividends for all past Dividend Periods, including the latest completed Dividend Period (including, if applicable as provided in Section 3(a) above, dividends on such amount), on all outstanding shares of Designated Preferred Stock have been or are contemporaneously declared and paid in full (or have been declared and a sum sufficient for the payment thereof has been set aside for the benefit of the holders of shares of Designated Preferred Stock on the applicable record date). The foregoing limitation shall not apply to (i) redemptions, purchases or other acquisitions of shares of Common Stock or other Junior Stock in connection with the administration of any employee benefit plan in the ordinary course of business (including purchases to offset the Share Dilution Amount (as defined below) pursuant to a publicly announced repurchase plan) and consistent with past practice, provided that any purchases to offset the Share Dilution Amount shall in no event exceed the Share Dilution Amount; (ii) purchases or other acquisitions by a broker-dealer subsidiary of the Corporation solely for the purpose of market-making, stabilization or customer facilitation transactions in

Junior Stock or Parity Stock in the ordinary course of its business; (iii) purchases by a broker-dealer subsidiary of the Corporation of capital stock of the Corporation for resale pursuant to an offering by the Corporation of such capital stock underwritten by such broker-dealer subsidiary; (iv) any dividends or distributions of rights or Junior Stock in connection with a stockholders' rights plan or any redemption or repurchase of rights pursuant to any stockholders' rights plan; (v) the acquisition by the Corporation or any of its subsidiaries of record ownership in Junior Stock or Parity Stock for the beneficial ownership of any other persons (other than the Corporation or any of its subsidiaries), including as trustees or custodians; and (vi) the exchange or conversion of Junior Stock for or into other Junior Stock or of Parity Stock for or into other Parity Stock (with the same or lesser aggregate liquidation amount) or Junior Stock, in each case, solely to the extent required pursuant to binding contractual agreements entered into prior to the Signing Date or any subsequent agreement for the accelerated exercise, settlement or exchange thereof for Common Stock. "Share Dilution Amount" means the increase in the number of diluted shares outstanding (determined in accordance with generally accepted accounting principles in the United States, and as measured from the date of the Corporation's consolidated financial statements most recently filed with the Securities and Exchange Commission prior to the Original Issue Date) resulting from the grant, vesting or exercise of equity-based compensation to employees and equitably adjusted for any stock split, stock dividend, reverse stock split, reclassification or similar transaction.

When dividends are not paid (or declared and a sum sufficient for payment thereof set aside for the benefit of the holders thereof on the applicable record date) on any Dividend Payment Date (or, in the case of Parity Stock having dividend payment dates different from the Dividend Payment Dates, on a dividend payment date falling within a Dividend Period related to such Dividend Payment Date) in full upon Designated Preferred Stock and any shares of Parity Stock, all dividends declared on Designated Preferred Stock and all such Parity Stock and payable on such Dividend Payment Date (or, in the case of Parity Stock having dividend payment dates different from the Dividend Payment Dates, on a dividend payment date falling within the Dividend Period related to such Dividend Payment Date) shall be declared pro rata so that the respective amounts of such dividends declared shall bear the same ratio to each other as all accrued and unpaid dividends per share on the shares of Designated Preferred Stock (including, if applicable as provided in Section 3(a) above, dividends on such amount) and all Parity Stock payable on such Dividend Payment Date (or, in the case of Parity Stock having dividend payment dates different from the Dividend Payment Dates, on a dividend payment date falling within the Dividend Period related to such Dividend Payment Date) (subject to their having been declared by the Board of Directors or a duly authorized committee of the Board of Directors out of legally available funds and including, in the case of Parity Stock that bears cumulative dividends, all accrued but unpaid dividends) bear to each other. If the Board of Directors or a duly authorized committee of the Board of Directors determines not to pay any dividend or a full dividend on a Dividend Payment Date, the Corporation will provide written notice to the holders of Designated Preferred Stock prior to such Dividend Payment Date.

Subject to the foregoing, and not otherwise, such dividends (payable in cash, securities or other property) as may be determined by the Board of Directors or any duly authorized committee of the Board of Directors may be declared and paid on any securities, including Common Stock and other Junior Stock, from time to time out of any funds legally available for such payment, and holders of Designated Preferred Stock shall not be entitled to participate in any such dividends.

Section 4. Liquidation Rights.

(a) Voluntary or Involuntary Liquidation. In the event of any liquidation, dissolution or winding up of the affairs of the Corporation, whether voluntary or involuntary, holders of Designated Preferred Stock shall be entitled to receive for each share of Designated Preferred Stock, out of the assets of the Corporation or proceeds thereof (whether capital or surplus) available for distribution to stockholders of the Corporation, subject to the rights of any creditors of the Corporation, before any distribution of such assets or proceeds is made to or set aside for the holders of Common Stock and any other stock of the Corporation ranking junior to Designated Preferred Stock as to such distribution, payment in full in an amount equal to the sum of (i) the Liquidation Amount per share and (ii) the amount of any accrued and unpaid dividends (including, if applicable as provided in Section 3(a) above, dividends on such amount), whether or not declared, to the date of payment (such amounts collectively, the "Liquidation Preference").

(b) Partial Payment. If in any distribution described in Section 4(a) above the assets of the Corporation or proceeds thereof are not sufficient to pay in full the amounts payable with respect to all outstanding shares of Designated Preferred Stock and the corresponding amounts payable with respect of any other stock of the Corporation ranking equally with Designated Preferred Stock as to such distribution, holders of Designated Preferred Stock and the holders of such other stock shall share ratably in any such distribution in proportion to the full respective distributions to which they are entitled.

(c) Residual Distributions. If the Liquidation Preference has been paid in full to all holders of Designated Preferred Stock and the corresponding amounts payable with respect of any other stock of the Corporation ranking equally with Designated Preferred Stock as to such distribution has been paid in full, the holders of other stock of the Corporation shall be entitled to receive all remaining assets of the Corporation (or proceeds thereof) according to their respective rights and preferences.

(d) Merger, Consolidation and Sale of Assets Not Liquidation. For purposes of this Section 4, the merger or consolidation of the Corporation with any other corporation or other entity, including a merger or consolidation in which the holders of Designated Preferred Stock receive cash, securities or other property for their shares, or the sale, lease or exchange (for cash, securities or other property) of all or substantially all of the assets of the Corporation, shall not constitute a liquidation, dissolution or winding up of the Corporation.

Section 5. Redemption.

(a) Optional Redemption. Except as provided below, the Designated Preferred Stock may not be redeemed prior to the first Dividend Payment Date falling on or after the third anniversary of the Original Issue Date. On or after the first Dividend Payment Date falling on or

after the third anniversary of the Original Issue Date, the Corporation, at its option, subject to the approval of the Appropriate Federal Banking Agency, may redeem, in whole or in part, at any time and from time to time, out of funds legally available therefor, the shares of Designated Preferred Stock at the time outstanding, upon notice given as provided in Section 5(c) below, at a redemption price equal to the sum of (i) the Liquidation Amount per share and (ii) except as otherwise provided below, any accrued and unpaid dividends (including, if applicable as provided in Section 3(a) above, dividends on such amount) (regardless of whether any dividends are actually declared) to, but excluding, the date fixed for redemption.

Notwithstanding the foregoing, prior to the first Dividend Payment Date falling on or after the third anniversary of the Original Issue Date, the Corporation, at its option, subject to the approval of the Appropriate Federal Banking Agency, may redeem, in whole or in part, at any time and from time to time, the shares of Designated Preferred Stock at the time outstanding, upon notice given as provided in Section 5(c) below, at a redemption price equal to the sum of (i) the Liquidation Amount per share and (ii) except as otherwise provided below, any accrued and unpaid dividends (including, if applicable as provided in Section 3(a) above, dividends on such amount) (regardless of whether any dividends are actually declared) to, but excluding, the date fixed for redemption; provided that (x) the Corporation (or any successor by Business Combination) has received aggregate gross proceeds of not less than the Minimum Amount (plus the "Minimum Amount" as defined in the relevant certificate of designations for each other outstanding series of preferred stock of such successor that was originally issued to the United States Department of the Treasury (the "Successor Preferred Stock") in connection with the Troubled Asset Relief Program Capital Purchase Program) from one or more Qualified Equity Offerings (including Qualified Equity Offerings of such successor), and (y) the aggregate redemption price of the Designated Preferred Stock (and any Successor Preferred Stock) redeemed pursuant to this paragraph may not exceed the aggregate net cash proceeds received by the Corporation (or any successor by Business Combination) from such Qualified Equity Offerings (including Qualified Equity Offerings of such successor).

The redemption price for any shares of Designated Preferred Stock shall be payable on the redemption date to the holder of such shares against surrender of the certificate(s) evidencing such shares to the Corporation or its agent. Any declared but unpaid dividends payable on a redemption date that occurs subsequent to the Dividend Record Date for a Dividend Period shall not be paid to the holder entitled to receive the redemption price on the redemption date, but rather shall be paid to the holder of record of the redeemed shares on such Dividend Record Date relating to the Dividend Payment Date as provided in Section 3 above.

(b) No Sinking Fund. The Designated Preferred Stock will not be subject to any mandatory redemption, sinking fund or other similar provisions. Holders of Designated Preferred Stock will have no right to require redemption or repurchase of any shares of Designated Preferred Stock.

(c) Notice of Redemption. Notice of every redemption of shares of Designated Preferred Stock shall be given by first class mail, postage prepaid, addressed to the holders of record of the shares to be redeemed at their respective last addresses appearing on the books of the Corporation. Such mailing shall be at least 30 days and not more than 60 days before the date

fixed for redemption. Any notice mailed as provided in this Subsection shall be conclusively presumed to have been duly given, whether or not the holder receives such notice, but failure duly to give such notice by mail, or any defect in such notice or in the mailing thereof, to any holder of shares of Designated Preferred Stock designated for redemption shall not affect the validity of the proceedings for the redemption of any other shares of Designated Preferred Stock. Notwithstanding the foregoing, if shares of Designated Preferred Stock are issued in book-entry form through The Depository Trust Company or any other similar facility, notice of redemption may be given to the holders of Designated Preferred Stock at such time and in any manner permitted by such facility. Each notice of redemption given to a holder shall state: (1) the redemption date; (2) the number of shares of Designated Preferred Stock to be redeemed and, if less than all the shares held by such holder are to be redeemed, the number of such shares to be redeemed from such holder; (3) the redemption price; and (4) the place or places where certificates for such shares are to be surrendered for payment of the redemption price.

(d) Partial Redemption. In case of any redemption of part of the shares of Designated Preferred Stock at the time outstanding, the shares to be redeemed shall be selected either pro rata or in such other manner as the Board of Directors or a duly authorized committee thereof may determine to be fair and equitable. Subject to the provisions hereof, the Board of Directors or a duly authorized committee thereof shall have full power and authority to prescribe the terms and conditions upon which shares of Designated Preferred Stock shall be redeemed from time to time. If fewer than all the shares represented by any certificate are redeemed, a new certificate shall be issued representing the unredeemed shares without charge to the holder thereof.

(e) Effectiveness of Redemption. If notice of redemption has been duly given and if on or before the redemption date specified in the notice all funds necessary for the redemption have been deposited by the Corporation, in trust for the pro rata benefit of the holders of the shares called for redemption, with a bank or trust company doing business in the Borough of Manhattan, The City of New York, and having a capital and surplus of at least \$500 million and selected by the Board of Directors, so as to be and continue to be available solely therefor, then, notwithstanding that any certificate for any share so called for redemption has not been surrendered for cancellation, on and after the redemption date dividends shall cease to accrue on all shares so called for redemption, all shares so called for redemption shall no longer be deemed outstanding and all rights with respect to such shares shall forthwith on such redemption date cease and terminate, except only the right of the holders thereof to receive the amount payable on such redemption from such bank or trust company, without interest. Any funds unclaimed at the end of three years from the redemption date shall, to the extent permitted by law, be released to the Corporation, after which time the holders of the shares so called for redemption shall look only to the Corporation for payment of the redemption price of such shares.

(f) Status of Redeemed Shares. Shares of Designated Preferred Stock that are redeemed, repurchased or otherwise acquired by the Corporation shall revert to authorized but unissued shares of Preferred Stock (provided that any such cancelled shares of Designated Preferred Stock may be reissued only as shares of any series of Preferred Stock other than Designated Preferred Stock).

Section 6. Conversion. Holders of Designated Preferred Stock shares shall have no right to exchange or convert such shares into any other securities.

Section 7. Voting Rights.

(a) General. The holders of Designated Preferred Stock shall not have any voting rights except as set forth below or as otherwise from time to time required by law.

(b) Preferred Stock Directors. Whenever, at any time or times, dividends payable on the shares of Designated Preferred Stock have not been paid for an aggregate of six quarterly Dividend Periods or more, whether or not consecutive, the authorized number of directors of the Corporation shall automatically be increased by two and the holders of the Designated Preferred Stock shall have the right, with holders of shares of any one or more other classes or series of Voting Parity Stock outstanding at the time, voting together as a class, to elect two directors (hereinafter the "Preferred Directors" and each a "Preferred Director") to fill such newly created directorships at the Corporation's next annual meeting of stockholders (or at a special meeting called for that purpose prior to such next annual meeting) and at each subsequent annual meeting of stockholders until all accrued and unpaid dividends for all past Dividend Periods, including the latest completed Dividend Period (including, if applicable as provided in Section 3(a) above, dividends on such amount), on all outstanding shares of Designated Preferred Stock have been declared and paid in full at which time such right shall terminate with respect to the Designated Preferred Stock, except as herein or by law expressly provided, subject to revesting in the event of each and every subsequent default of the character above mentioned; provided that it shall be a qualification for election for any Preferred Director that the election of such Preferred Director shall not cause the Corporation to violate any corporate governance requirements of any securities exchange or other trading facility on which securities of the Corporation may then be listed or traded that listed or traded companies must have a majority of independent directors. Upon any termination of the right of the holders of shares of Designated Preferred Stock and Voting Parity Stock as a class to vote for directors as provided above, the Preferred Directors shall cease to be qualified as directors, the term of office of all Preferred Directors then in office shall terminate immediately and the authorized number of directors shall be reduced by the number of Preferred Directors elected pursuant hereto. Any Preferred Director may be removed at any time, with or without cause, and any vacancy created thereby may be filled, only by the affirmative vote of the holders a majority of the shares of Designated Preferred Stock at the time outstanding voting separately as a class together with the holders of shares of Voting Parity Stock, to the extent the voting rights of such holders described above are then exercisable. If the office of any Preferred Director becomes vacant for any reason other than removal from office as aforesaid, the remaining Preferred Director may choose a successor who shall hold office for the unexpired term in respect of which such vacancy occurred.

(c) Class Voting Rights as to Particular Matters. So long as any shares of Designated Preferred Stock are outstanding, in addition to any other vote or consent of stockholders required by law or by the Charter, the vote or consent of the holders of at least 66 2/3% of the shares of Designated Preferred Stock at the time outstanding, voting as a separate class, given in person or by proxy, either in writing without a meeting or by vote at any meeting called for the purpose, shall be necessary for effecting or validating:

(i) Authorization of Senior Stock. Any amendment or alteration of the Certificate of Designations for the Designated Preferred Stock or the Charter to authorize or create or increase the authorized amount of, or any issuance of, any shares of, or any securities convertible into or exchangeable or exercisable for shares of, any class or series of capital stock of the Corporation ranking senior to Designated Preferred Stock with respect to either or both the payment of dividends and/or the distribution of assets on any liquidation, dissolution or winding up of the Corporation;

(ii) Amendment of Designated Preferred Stock. Any amendment, alteration or repeal of any provision of the Certificate of Designations for the Designated Preferred Stock or the Charter (including, unless no vote on such merger or consolidation is required by Section 7(c)(iii) below, any amendment, alteration or repeal by means of a merger, consolidation or otherwise) so as to adversely affect the rights, preferences, privileges or voting powers of the Designated Preferred Stock; or

(iii) Share Exchanges, Reclassifications, Mergers and Consolidations. Any consummation of a binding share exchange or reclassification involving the Designated Preferred Stock, or of a merger or consolidation of the Corporation with another corporation or other entity, unless in each case (x) the shares of Designated Preferred Stock remain outstanding or, in the case of any such merger or consolidation with respect to which the Corporation is not the surviving or resulting entity, are converted into or exchanged for preference securities of the surviving or resulting entity or its ultimate parent, and (y) such shares remaining outstanding or such preference securities, as the case may be, have such rights, preferences, privileges and voting powers, and limitations and restrictions thereof, taken as a whole, as are not materially less favorable to the holders thereof than the rights, preferences, privileges and voting powers, and limitations and restrictions thereof, of Designated Preferred Stock immediately prior to such consummation, taken as a whole;

provided, however, that for all purposes of this Section 7(c), any increase in the amount of the authorized Preferred Stock, including any increase in the authorized amount of Designated Preferred Stock necessary to satisfy preemptive or similar rights granted by the Corporation to other persons prior to the Signing Date, or the creation and issuance, or an increase in the authorized or issued amount, whether pursuant to preemptive or similar rights or otherwise, of any other series of Preferred Stock, or any securities convertible into or exchangeable or exercisable for any other series of Preferred Stock, ranking equally with and/or junior to Designated Preferred Stock with respect to the payment of dividends (whether such dividends are cumulative or non-cumulative) and the distribution of assets upon liquidation, dissolution or winding up of the Corporation will not be deemed to adversely affect the rights, preferences, privileges or voting powers, and shall not require the affirmative vote or consent of, the holders of outstanding shares of the Designated Preferred Stock.

(d) Changes after Provision for Redemption. No vote or consent of the holders of Designated Preferred Stock shall be required pursuant to Section 7(c) above if, at or prior to the time when any such vote or consent would otherwise be required pursuant to such Section, all outstanding shares of the Designated Preferred Stock shall have been redeemed, or shall have been called for redemption upon proper notice and sufficient funds shall have been deposited in trust for such redemption, in each case pursuant to Section 5 above.

(e) Procedures for Voting and Consents. The rules and procedures for calling and conducting any meeting of the holders of Designated Preferred Stock (including, without limitation, the fixing of a record date in connection therewith), the solicitation and use of proxies at such a meeting, the obtaining of written consents and any other aspect or matter with regard to such a meeting or such consents shall be governed by any rules of the Board of Directors or any duly authorized committee of the Board of Directors, in its discretion, may adopt from time to time, which rules and procedures shall conform to the requirements of the Charter, the Bylaws, and applicable law and the rules of any national securities exchange or other trading facility on which Designated Preferred Stock is listed or traded at the time.

Section 8. Record Holders. To the fullest extent permitted by applicable law, the Corporation and the transfer agent for Designated Preferred Stock may deem and treat the record holder of any share of Designated Preferred Stock as the true and lawful owner thereof for all purposes, and neither the Corporation nor such transfer agent shall be affected by any notice to the contrary.

Section 9. Notices. All notices or communications in respect of Designated Preferred Stock shall be sufficiently given if given in writing and delivered in person or by first class mail, postage prepaid, or if given in such other manner as may be permitted in this Certificate of Designations, in the Charter or Bylaws or by applicable law. Notwithstanding the foregoing, if shares of Designated Preferred Stock are issued in book-entry form through The Depository Trust Company or any similar facility, such notices may be given to the holders of Designated Preferred Stock in any manner permitted by such facility.

Section 10. No Preemptive Rights. No share of Designated Preferred Stock shall have any rights of preemption whatsoever as to any securities of the Corporation, or any warrants, rights or options issued or granted with respect thereto, regardless of how such securities, or such warrants, rights or options, may be designated, issued or granted.

Section 11. Replacement Certificates. The Corporation shall replace any mutilated certificate at the holder's expense upon surrender of that certificate to the Corporation. The Corporation shall replace certificates that become destroyed, stolen or lost at the holder's expense upon delivery to the Corporation of reasonably satisfactory evidence that the certificate has been destroyed, stolen or lost, together with any indemnity that may be reasonably required by the Corporation.

Section 12. Other Rights. The shares of Designated Preferred Stock shall not have any rights, preferences, privileges or voting powers or relative, participating, optional or other special rights, or qualifications, limitations or restrictions thereof, other than as set forth herein or in the Charter or as provided by applicable law.

SECTION 2. ANNUAL MEETING. The annual meeting of the shareholders of the Corporation shall be held at a time and place to be determined by the Chairman or Vice Chairman of the Board, if any, the Chief Executive Officer (sometimes hereinafter the "CEO"), the President, the Board of Directors or the Board's Executive Committee, which time and place shall be stated in the notice of the annual meeting.

SECTION 3. SPECIAL MEETINGS. Except as otherwise specifically provided by law, any special meeting of the shareholders shall be held only upon the call of the Chairman or Vice Chairman of the Board, if any, the CEO, the President, the Board of Directors or the Board's Executive Committee.

SECTION 4. NOTICE OF SHAREHOLDER BUSINESS. Except as otherwise provided by law, at any annual or special meeting of shareholders, only such business shall be conducted as shall have been properly brought before the meeting in accordance with this Section.

(a) In order to be properly brought before the meeting, such business must have been either (i) specified in the written notice of the meeting (or any supplement thereto) given the shareholders of record on the record date of such meeting by or at the direction of the Board of Directors, (ii) brought before the meeting at the direction of the Board of Directors or the officer presiding over the meeting, (iii) specified in written notice given by or on behalf of a shareholder of record on the record date for such meeting entitled to vote thereat or a duly authorized proxy for such shareholder, in accordance with all the following requirements.

(b) A notice referred to in clause 4(a)(iii) hereof must be delivered personally to, or mailed to and received at, the principal executive office of the Corporation, addressed to the attention of the Secretary, not more than ten (10) days after the date of the initial notice referred to in clause 4(a)(i) hereof, in the case of business to be brought before a special meeting of shareholders, and not less than thirty (30) days prior to the first anniversary date of the initial notice referred to in clause 4(a)(i) above of the previous year's annual meeting, in the case of business to be brought before an annual meeting of shareholders, provided, however, that such notice shall

not be required to be given more than ninety (90) days prior to the annual meeting of shareholders. Such notice referred to in clause 4(a)(iii) above shall set forth:

(1) a full description of each such item of business proposed to be brought before the meeting including the complete text of any resolution to be presented, the reasons for wanting to conduct such business, and any material interest of the shareholder in such business;

(2) the name and address as they appear on the Corporation's books of the shareholder proposing to bring such business before the meeting;

(3) the class and number of shares held of record, held beneficially and represented by proxy by such person as of the record date for the meeting (if such date has then been made publicly available) and as of the date of such notice;

(4) if any item of such business involves a nomination for director, all information regarding each such nominee that would be required to be set forth in a definitive proxy statement filed with the Securities and Exchange Commission under Regulation 14A and pursuant to Section 14 of the Securities Exchange Act of 1934, as amended, or any successors thereto, and the written consent of each such nominee to serve if elected; and

(5) all other information that would be required to be filed with the Securities and Exchange Commission if, with respect to the business proposed to be brought before the meeting, the person proposing such business was a participant in a solicitation subject to Regulation 14A under Section 14 of the Securities Exchange Act of 1934, as amended, or any successors thereto.

(c) Any matter brought before a meeting of shareholders upon the affirmative recommendation of the Board of Directors where such matter is included in the written notice of the meeting (or any supplement thereto) and accompanying proxy statement given to shareholders of record on the record date for such meeting by or at the direction of the Board of Directors is deemed to be properly before the shareholders for a vote and does not need to be moved or seconded from the floor of such meeting. No business shall be brought before any meeting of shareholders of the Corporation otherwise than as provided in this Section 4.

SECTION 5. NOTICE OF MEETING. Written notice stating the place, date, and time of each annual and any special meeting of the shareholders, and the purpose or purposes for which the meeting is called, shall be given not less than ten (10) nor more than sixty (60) days previous thereto (except as otherwise required or permitted by law), either personally, by mail, or by such other manner as permitted or required by law, by or at the direction of the Chairman or Vice Chairman of the Board, the CEO, the President, the Secretary, or by the persons calling the meeting, to each shareholder of record entitled to vote at the meeting.

SECTION 6. WAIVER OF NOTICE. Notice of any meeting may be waived before or after the date and time of the meeting in a writing signed by the shareholder entitled to notice and delivered to the Secretary, or by the shareholder who attends the meeting in person or by proxy without objecting to the transaction of business.

SECTION 7. QUORUM. Any number of shareholders together holding a majority of the shares issued and outstanding of the Corporation entitled to vote (which shall not include any treasury stock, if any, held by the Corporation), who shall be present in person or represented by proxy at any meeting, shall constitute a quorum for the transaction of business, including the election of directors, except as otherwise provided by statute, the Articles of Incorporation, or these Bylaws. If less than a quorum shall be present or represented by proxy at the time for which a meeting shall have been called, the meeting may be adjourned from time to time by a majority of the shareholders present or represented by proxy, without notice other than by announcement at the meeting, until a quorum shall be present or represented by proxy. When a quorum is once present to organize a meeting, it is not broken by the subsequent withdrawal of any shareholder.

SECTION 8. PROXIES. A shareholder may appoint a proxy to vote for him or otherwise act for him by signing an appointment form, either personally or by his attorney in fact, and the proxy is effective when received by the Secretary or other officer or agent authorized to tabulate votes.

SECTION 9. ORGANIZATION. The Chairman of the Board and in his absence, the Vice Chairman of the Board, or in the absence of the Chairman and Vice Chairman of the Board, the CEO, the President, and in the absence of the CEO or the President, a chairman appointed by the Board of Directors, shall call the meeting of the shareholders to order and shall act as chairman thereof. A chairman of the meeting cannot be elected by the shareholders present.

SECTION 10. VOTING. At any meeting of the shareholders, each shareholder entitled to vote, who is present in person or by proxy appointed by an instrument in writing, subscribed by such shareholder or by his duly authorized attorney, shall have one vote for each share of common stock registered in his name.

SECTION 11. LIST OF SHAREHOLDERS. At each meeting of the shareholders, a full, true and complete list, in alphabetical order, of all the shareholders of record entitled to vote at such meeting, with the number of shares held by each, certified by the Secretary, any Assistant Secretary, or the Transfer Agent, shall be available for review.

SECTION 12. CONDUCT OF MEETINGS. The Board of Directors of the Corporation may, to the extent not prohibited by law, adopt by resolution such rules and regulations for the conduct of the meeting of shareholders as it shall deem appropriate. Except to the extent inconsistent with such rules and regulations as adopted by the Board of Directors, the presiding officer of any meeting of shareholders shall have the right and authority to prescribe such rules, regulations and procedures and to do all such acts as, in the judgment of such officer, are appropriate for the proper conduct of the meeting. Such rules, regulations or procedures, whether adopted by the Board of Directors or prescribed by the presiding officer, may to the extent not prohibited by law include, without limitation, the following: (i) the establishment of an agenda or order of business for the meeting; (ii) rules and procedures for maintaining order at the meeting and the safety of those present; (iii) limitations on attendance at or participation in the meeting to shareholders of record of the Corporation, their duly authorized and constituted proxies and any such other persons as the presiding officer shall determine; (iv) restrictions on the entry to the meeting after the time fixed for the commencement thereof; and (v) limitations on the time allotted to questions or comments by participants. Unless, and to the extent, determined by the Board of Directors or the presiding officer of the meeting, meetings of shareholders shall not be required to be held in accordance with the rules of parliamentary procedure.

Within thirty (30) days after election to the Board of Directors, each director, if not already a shareholder of record, shall become a shareholder of record. A majority of the directors actually elected and serving at the time of any given meeting shall constitute a quorum for the transaction of business and the act of the majority of the directors present at a meeting at which a quorum is present shall be the act of the Board of Directors.

SECTION 3. ELECTION OF DIRECTORS. The directors shall be elected at the annual meeting of shareholders in accordance with the Articles of Incorporation.

SECTION 4. CHAIRMAN OF THE BOARD.

(a) At the annual meeting of the Board of Directors following each annual meeting of shareholders, the Board of Directors shall elect a Chairman and a Vice Chairman from among its members to preside at meetings of the Board. In their absence, the CEO or the President shall perform the duties of the Chairman.

(b) Notwithstanding the foregoing, from and after the Effective Date (as defined in Section 9(a) below) through the third anniversary of the Effective Date, the Chairman of the Board shall be Dr. Raymond D. Smoot, Jr. During the period that Dr. Smoot continues to serve as Chairman of the Board pursuant to the terms of this Section 4(b), he shall also serve as a member of the Executive Committee of the Corporation. The removal of Dr. Smoot, or the failure to appoint or re-elect Dr. Smoot as Chairman of the Board as provided in this Section 4 prior to the third anniversary of the Effective Date, and any determination not to nominate Dr. Smoot as director of the Corporation, prior to the third anniversary of the Effective Date, shall each require the affirmative vote of at least 75% of the full Board of Directors.

(c) The provisions of this Section 4 may be modified, amended or repealed, and any Bylaw provision inconsistent with the provisions of this Section 4 may be adopted, only by the affirmative vote of at least 75% of the full Board of Directors. The provisions of paragraphs (b) and (c) of this Section 4 will automatically terminate and be deemed repealed in full effective as of the third anniversary of the Effective Date without any further action by the Board of Directors of the Corporation. In the event of any inconsistency between any provisions of this Section 4 and any other provision of these Bylaws or the Corporation's other constituent documents, the provisions of this Section 4 shall control.

SECTION 5. MEETINGS OF DIRECTORS. An annual meeting of the Board of Directors shall be held as soon as possible after the annual meeting of shareholders without notice thereof. The Board of Directors may also adopt a schedule of additional meetings, which, together with the annual meeting referred to in the preceding sentence, shall be considered the regular meetings of the Board of Directors. Special meetings may be held whenever called by or at the direction of either the Chairman or Vice Chairman of the Board, the CEO, the President, or by any two directors then in office. Unless otherwise specified in any notice thereof, any and all business may be transacted at a special meeting. Meetings of the Board of Directors shall be held at places in or outside the Commonwealth of Virginia and at such times and places as designated by the Board, or by the person or persons calling the meeting. The Secretary, or officer performing such duties, shall give at least twenty-four (24) hours notice by electronic mail, telegraph, facsimile telecommunication, letter, or telephone of all special meetings of the directors. Notice need not be given of regular meetings held at such times and places designated by the Board. Meetings may be held at any time without notice if all of the directors are present, or if those not present waive notice either before or after the meeting.

SECTION 6. ACTION WITHOUT A MEETING. Any action which is required or which may be taken at a meeting of the directors or of a committee, may be taken without a meeting if a consent in writing, setting forth the actions so to be taken, shall be signed before or after such action by all of the directors, or all of the members of the committee, as the case may be. A director's consent may be made and delivered in writing, including by electronic communication or by facsimile telecommunication.

SECTION 7. PARTICIPATION BY CONFERENCE TELEPHONE. The Board of Directors may permit any or all directors to participate in a meeting of the directors by, or conduct the meeting through the use of, conference telephone or any other means of communication by which all directors participating may simultaneously hear each other during the meeting. A director participating in a meeting by such means shall be deemed to be present in person at the meeting.

SECTION 8. MAXIMUM AGE FOR DIRECTORS. No person who is age 70 or older shall be eligible to serve on the Board of Directors after the annual meeting following his/her 70th birthday with the exception of those individuals whom the Board of Directors has, from time to time, determined to be exempt from this policy.

SECTION 9. BOARD COMPOSITION.

(a) Effective as of the Effective Date (as defined in the Agreement and Plan of Reorganization, dated as of June 9, 2013, by and between Union First Market Bankshares Corporation and StellarOne Corporation (“StellarOne”), as the same may be amended from time to time (the “Merger Agreement”), and notwithstanding any other provision of these Bylaws that may be to the contrary, the Board of Directors of the Corporation shall be comprised of nineteen directors, of which eleven shall be members of the Board of Directors of the Corporation prior to the Effective Date chosen by the Corporation prior to the Effective Date (each a “Union Director” and collectively the “Union Directors”), and eight shall be members of the Board of Directors of StellarOne prior to the Effective Date who are designated by StellarOne prior to the Effective Date by StellarOne, subject to the consent of Union which shall not be unreasonably withheld, to serve as directors of the Corporation (each a “StellarOne Director” and collectively the “StellarOne Directors”). The Union Directors and the StellarOne Directors shall be apportioned among the three classes of the Board of Directors of the Corporation in a manner as nearly equal as possible.

(b) From and after the Effective Date through the third anniversary of the Effective Date, all vacancies on the Board of Directors of the Corporation created by the cessation of service of a Union Director shall be filled by a nominee proposed to the nominating committee of the Board of Directors of the Corporation by a majority of the remaining Union Directors, and all vacancies on the Board of Directors of the Corporation created by the cessation of service of a StellarOne Director shall be filled by a nominee proposed to the nominating committee of the Board of Directors of the Corporation by a majority of the remaining StellarOne Directors, as applicable.

(c) All directors so nominated and appointed or elected to the Board of Directors of the Corporation by proposal of the Union Directors shall be considered “Union Directors” for purposes of this Article II, Section 9, and all directors so nominated and appointed or elected to the Board of Directors of the Corporation by proposal of StellarOne Directors shall be considered “StellarOne Directors” for purposes of this Article II, Section 9.

(d) From and after the Effective Date through the third anniversary of the Effective Date, the provisions of this Section 9 may be modified, amended or repealed, and any Bylaw provision inconsistent with the provisions of this Section 9 may be adopted, only by an affirmative vote of the StellarOne Directors. This Section 9 will automatically terminate and be deemed repealed in full effective as of the third anniversary of the Effective Date without any further action by the Board of Directors of the Corporation. In the event of any inconsistency between any provision of this Section 9 and any other provision of these Bylaws or the Corporation's other constituent documents, the provisions of this Section 9 are intended to control.

ARTICLE III COMMITTEES OF THE BOARD

SECTION 1. COMMITTEES. There shall be an Executive Committee and such other committees as the Board of Directors may, from time to time, create for such purposes and with such powers as the Board may determine. The Chairman of the Board shall recommend committee members at the annual organizational meeting of the Board of Directors following the annual meeting of shareholders.

SECTION 2. EXECUTIVE COMMITTEE. The Executive Committee shall consist of not less than three (3) members of the Board, or such other number as the Board may appoint. The Executive Committee shall have the power to do any and all acts and to exercise any and all authority during the intervals between the meetings of the Board of Directors which the Board of Directors is authorized and empowered to exercise, except as otherwise limited under applicable law, the Articles of Incorporation, or the Bylaws of the Corporation.

(a) The Executive Committee shall fix its own rules of proceeding and shall meet where and as provided by such rules, but in every case the presence of at least a majority of the Executive Committee shall be necessary to constitute a quorum. In every case, the affirmative vote of a majority of all the members of the Executive Committee present at the meeting shall be necessary for the adoption of any resolution.

(b) The CEO of the Corporation shall serve as Chairman of the Executive Committee. The Chairman shall preside at meetings of the Executive Committee and shall have such other powers and duties as shall be conferred upon him from time to time by the Board of Directors.

(c) All actions of the Executive Committee shall be reported to the Board of Directors at its next succeeding meeting.

SECTION 3. NOMINATING AND CORPORATE GOVERNANCE COMMITTEE. The Board of Directors shall appoint each year a Nominating and Corporate Governance Committee. Any director or member may waive notice of any meeting and the attendance of a director or member at a meeting shall constitute a waiver of notice of such meeting except where a director or member attends for the express purpose of objecting to the transaction of business at the meeting on the grounds that the meeting is not lawfully called or convened.

SECTION 1. OFFICERS GENERALLY. The officers of the Corporation shall be a President, a Chief Executive Officer, a Secretary, a Chief Financial Officer, one or more Executive Vice Presidents, one or more Vice Presidents, and persons elected to such other offices as may be established from time to time by the Board of Directors. SECTION 2. CERTIFICATES TO BE ENTERED. All certificates shall be consecutively numbered, and shall contain the names of the owners, the number of shares and the date of issue, a record whereof shall be entered in the Corporation's books or the books of the Corporation's transfer agent, if applicable. The Corporation shall be entitled to treat the holder of record of certificated or uncertificated shares as the legal and equitable owner thereof and accordingly shall not be bound to recognize any equitable or other claim with respect thereto on the part of any other person so far as the right to vote and to participate in dividends is concerned.

SECTION 3. TRANSFER OF STOCK. The stock of the Corporation shall be transferable or assignable on the books of the Corporation's transfer agent, if any, or on the books of the Corporation by the holders in person or by attorney on surrender of the certificate or certificates for such shares duly endorsed, and, if sought to be transferred by attorney, accompanied by a written power of attorney to have the same transferred on the books of the Corporation or on the books of the Corporation's transfer agent, if applicable.

The holder of stock of the Corporation shall immediately notify the Corporation of any loss, destruction, or mutilation of the certificate therefor, and the Board of Directors, or the Secretary, may in its discretion cause one or more new certificates for the same number of shares in the aggregate to be issued to such shareholder upon the surrender of the mutilated certificate, or upon satisfactory proof of such loss or destruction accompanied by the deposit of a bond in such form and amount and with such surety as the Board of Directors may require.

SECTION 5. REGULATIONS. The Board of Directors may make such rules and regulations as it may deem expedient regulating the issue, transfer and registration of certificated or uncertificated shares of stock of the Corporation.

SECTION 6. DETERMINATION OF SHAREHOLDERS OF RECORD. The share transfer books may be closed by order of the Board of Directors for not more than seventy (70) days for the purpose of determining shareholders entitled to notice of or to vote at any meeting of the shareholders or any adjournment thereof (or entitled to receive any distribution or in order to make a determination of shareholders for any other purpose). In lieu of closing such books, the Board of Directors may fix in advance as the record date for any such determination a date not more than seventy (70) days before the date on which such meeting is to be held (or such distribution made or other action requiring such determination is to be taken). If the books are not thus closed or the record date is not thus fixed, the record date shall be the close of business on the day before the effective date of the notice to shareholders.

Any such authorization may be general or limited to specific contracts or instruments.

SECTION 5. CONSTRUCTION. In the event of any conflict between the provisions of these Bylaws as in effect from time to time and the provisions of the Articles of Incorporation of the Corporation as in effect from time to time, the provisions of the Articles of Incorporation shall be controlling. As used in these Bylaws, the term "*Articles of Incorporation*" shall mean the articles of incorporation of the Corporation filed with the Virginia State Corporation Commission pursuant to the Virginia Stock Corporation Act, as amended from time to time. As used herein, unless the context otherwise requires: (i) the terms defined herein shall have the meaning set forth herein for all purposes; (ii) the terms "*include*," "*includes*," and "*including*" are deemed to be followed by "without limitation" whether or not they are in fact followed by such words or words of like import; (iii) "*writing*," "*written*" and comparable terms refer to printing, typing, handwriting and other means of reproducing words in a visible form; (iv) "*hereof*," "*herein*," "*hereunder*" and comparable terms refer to the entirety of these Bylaws and not to any particular article, section or other subdivision hereof; and (v) references to any gender include references to all genders, and references to the singular include references to the plural and vice versa.
